Resolutions of Nokia Corporation's Annual General Meeting and Board of Directors

Espoo, Finland – The Annual General Meeting (AGM) of Nokia Corporation took place at the Company's headquarters in Espoo on 5 April 2022 under special arrangements due to the COVID-19 pandemic. Approximately 59 300 shareholders representing approximately 3 063 million shares and votes were represented at the meeting. The AGM supported all proposals submitted to it by the Board of Directors (the Board). The AGM adopted the Company's financial statements, discharged the members of the Board and the President and Chief Executive Officer from liability for the financial year 2021 and supported the Company's Remuneration Report in an advisory vote. In addition, the AGM adopted the following resolutions:

Authorization to decide on the distribution of dividend and assets from the invested unrestricted equity fund

The AGM decided that no dividend is distributed by a resolution of the Annual General Meeting and authorized the Board of Directors to resolve in its discretion on the distribution of an aggregate maximum of EUR 0.08 per share as dividend from the retained earnings and/or as assets from the invested unrestricted equity fund (equity repayment).

The authorization is valid until the opening of the next Annual General Meeting and it can be used to distribute assets in four installments during the validity of the authorization, unless the Board decides otherwise for a justified reason. The Board will make separate resolutions on the amount and timing of each such asset distribution with preliminary record and payment dates as set out below. The Company announces each such Board resolution separately confirming the relevant record and payment dates.

| Preliminary record date | Preliminary payment date |

| 25 October 2022 | 3 November 2022 |
| 7 February 2023 | 16 February 2023 |
